

## DEESIDE VINTAGE HIRE

### Terms and Conditions

#### 1. Hire Period

Our standard hire period is 1-3 days. If you require additional time, we're happy to discuss flexible arrangements.

#### 2. Preparation and Inspection

We meticulously wash, inspect, and carefully pack all items before your event. Upon delivery, please inspect your items thoroughly and notify us immediately if there are any issues.

#### 3. Condition of Items

Due to the vintage nature of our crockery, some items may show slight signs of age, including worn patterns or gilt edging. However, we do not offer items that are cracked or chipped.

#### 4. Cleaning Service

Our pricing includes a full washing-up service, so you can relax after your event. We simply ask that you remove any food crumbs and liquid remnants, and fold our tablecloths and napkins.

#### 5. Return of Items

Please ensure that all items are safely packed and returned in the packaging they were delivered in. Any loss or damage to the packaging will incur a charge.

#### 6. Breakages and Loss

Our collection is unique and lovingly curated, making it difficult to replace. Therefore, we must charge for any breakages, loss, or damage during the hire period.

#### 7. Delivery and Collection

We offer free delivery and collection within a 10-mile radius of our location in Banchory, Aberdeenshire.

#### 8. Liability

Deeside Vintage Hire is not responsible for any injury or damage to persons or property that occurs during the hire period.

#### 9. Privacy Notice
